IT ADVISED MR. C. A. S. NOT TO mittee DO ANTTHING FOOLISH.

Claus aprechels Also shows Congress

Claus A. Spreckels returned to the vary than the European price.

In Europe they have a combination. etand before the House sugar investiga-tors with four letters yesterday to back up his statement that he fell out with asked the chairman. the American Sugar Refining Company because he was asked to cut down the witness because he was asked to cut down the output as a means of securing a better price. Mr. Spreckels did not believe that this was good business and insisted that he would continue to produce all that his refinery could manage. This was in 1891, when the Havemeyer interests had bought into the Spreckels Philadel.

Witness

"And yet you have simost two-thirds of the whole business under your little wing." The witness didn't reply to this. There has been some difficulty in getting the committee to adjourn for the day when Mr. Huston told of price discussions at the Gary dinner in January, 1911, and at a luncheon given by the executive head had bought into the Spreckels Philadel.

"The Witness and yet you have simost two-thirds of the whole business under your little wing." The witness didn't reply to this. There has been some difficulty in getting the committee of inquiry. It was just about the time for the day hold of some of the books of the committee to adjourn for the Gary dinner in January, 1911, and at a luncheon given by the executive head of the Wall street offices or at the refineries.

"The Witness are witness and insisted that his refinery could manage." This witness they were in the wall street offices or at the refineries.

"The Witness are witness and insisted that his refinery could manage." The witness didn't reply to this.

There has been some difficulty in getting the committee to adjourn for the day when Mr. Huston told of price discussions at the Gary dinner in January, 1911, and at least the committee to adjourn for the Committee to adjourn had bought into the Spreckels Philadel-

his father sent for him.

"He told me then," said Mr. Spreckels, \*that he had made the mistake of his life. He said he wanted to make amends and AFTER WIRELESS BUSINESS. he was going to do it by making me one of his executors. And so he did."

The letter which the committee found most interesting was one from H. O. Havemeyer written, said the witness. is how it read:

My DEAR MR. C. A. S.: Please do not I am a little apprehensive on the subject. pernaps unwarrantatory safely keep a week or so ahead to protect yourself, but Raw might turn against you or Ref'd advance. We are 4 1-16, asking

in a letter press.

The three other letters were from John
E. Searles. In one Mr. Spreckels was told about a raise in price and asked to follow it. In another he was taken to task for not reducing his meltings, and in a third he was informed that he lectrical Signalling Company of New Lorentz and Interval of the company. and in a third he was informed that he was simply throwing money away. Here the is the first one:

My Dear Sir. I called you up at 4.16 o'clock this afternoon respecting refined. but you had gone. We went up to-day on our fine granulated to 41c, both here and in Chicago, which I trust helped you out in disposing of some of yours, and to morrow morning we shall open the market at 4% for both standard and refined. Philadelphia houses will also advance their prices, it being understood that you

tially or breaking the market was put up to Mr. Spreckels in the second letter, weather Faverable in the Main.

with the advice to cut down the output.

# HUNT FOR AGREEMENT GOES

ON IN WASHINGTON.

WASHINGTON, July 25 - Prices of steel and iron products were discussed at one of the Gary dinners in New York, accord-Competition is pretty good." said the president of the Lukens Iron and Steel Company, who appeared as a witness The Government has a great many, of the United States Steel Corporation Mr on May 4 last

inquiry. It was just about the time for the committee to adjourn for the day when Mr. Huston told of price discussions at the Gary dinner in January, 1911, and at a luncheon given by the executive head of the United States Steel Corporation on May 4 last.

The testimony given by Mr. Huston and W. C. Moreland of Pittsburg, secreties of the Jones & Laughlin Steel Company, tends to show in the opinion of Democratic members of the committee that the eleven steel and iron companies, among them the Carnegie company and other leading concerns in the trade, which were named as parties to the "trust agreed by introduced in evidence vesterday." The Consolidated Coal Company of St. Louis will mature on the Pirst day of Septem ber 1, 1911, and are payable on that date at the office of the Mercantile Trust Company. No 10 penalogue of the Democratic members of the committee that the eleven steel and iron companies, among them the Carnegie company and other leading concerns in the trade, which were named as parties to the "trust agreed ment" introduced in evidence vesterday. ment" introduced in evidence yesterday. operated for five years from 1900 to 1906 under an agreement that amounted to a restraint of trade

"Did you attend the Gary dinner in January, 1911, and were not trade prices discussed on that occasion?" asked Representative Beall of Mr. Huston. The witness replied in the negative as to prices. "I hold in my hand," continued Mr

"Generally speaking, prices were asked if he attended the Gary luncheon in New York on May 4. He replied in the STEEL NET EARNINGS BETTER affirmative. Asked if price subjects ceme up on that occasion the witness responded in the negative.

"After that luncheon Judge Gary issued a price list on iron and steel products; have you conformed to that list in the sale of your commodities since then?" queried Mr Beall.

Mr. Huston replied that in the mair his cor pany had followed the Gary list except in the case of commodities on

figure tion operated, produced at yesterday's hearing, is regarded by Chairman Stanley as the "big find" of the pending investigation. Mr. Huston testified to-day that he participated in conferences in New York that led to the formation of the plate association. Others who took part were Charles M. Schwab, Willis L. King and others representing the eleven companies concerned. These conferences, according to the witners, were held to devise ways. Isst. Schwabor and \$33,880,755 a year ago, \$31,048,725.

market as above. Please comply:

I go to Lenox to-morrow afternoon, leaving my office at 2:30 o'clock. If you can come over so as to meet me before that hour I shall be glad to confer with phone at 1:30 o'clock in the morning and phone at 1:30 o'clock in the morning and oblige. Yours very truly,

No. E. Searles, Jr.

Across the face of this one Mr. Spreckels had made this memorandum: "No reply."

The alternative of reducing substantially or breaking the market was put to Mr. Spreckels in the second letter, with the advice to cut down the output. It read:

I go to Lenox to-morrow afternoon, in a suit brought by John Thomas Wood, a magazine subscription agent, against in a suit brought by John Thomas Wood, a magazine subscription agent, against day, leaving men were working for about 30 o'clock in the time that the clearing house and the magazine nine out of ten steelmen failed in business. In these day, leaving men were working for about 30 o'clock in the time that the clearing house and the magazine out ten steelmen failed in business. Conditions were deplorable, and some construction.

It was for this reason, Mr. Huston added, that the plaint association was organized, with a view to steadying a license for a fishing excursion to determine whether he has a cause of action against certain unnamed parties.
